

PUQ[®] PRESS

Puqpress M2 - The Perfect Partner for Mythos Grinders

Puqpress is one of the fastest growing barista tools in the world, with its unparalleled engineering and state-of-the-art design ensuring a level tamp every time.

The new M2 Puqpress automatic tamper offers the latest in precision technology and provides consistent, level tamping for a beautiful cup of coffee. This Puqpress is an under-grinder tamper, specifically designed to sit under either a Mythos One or a Mythos Two grinder.

Puqpress M2 Under-Grinder Auto Tamper
SKU: PUQPRESS-M2

Please Note: This is an under-grinder automatic tamper only. Grinder not included.

Features
